Clarity Connect  
200 Pleasant Grove Road  
Ithaca, NY 14850

Dear Sir or Madam,

In the recent past, many of our neighbors conveyed their excitement that Clarity Connect would be bringing high speed internet to our homes in the King Ferry, New York area. To date, however, we have yet to see the project brought to fruition. Consequently we have contacted our King Ferry neighbors through our road associations in hopes that this may be seen as our commitment and dedication in moving the project forward.

Therefore please note this letter as a formal request of the Deer Trail Road Association, the Deer Trail Road South Association and the Honoco Road Association to receive high speed internet for the residents that reside in this area.

Finally, thank you so much for your time and we look forward to working with you in the very near future. Please let me know if I can be of further assistance in helping to bring this much needed service to our area.

Kindly,

Elizabeth Hagin
