

Honoco Monthly BOD Meeting October 17, 2019

Those in attendance: Steve Green, Bob King, Cindy Krause

Sponsor Board: Cindy reported that A&M Graphics have lost the Honoco Road file and would need to come out to remeasure the board. Steve is going to measure what size we would need for individual plaques and then Cindy will price out what A&M would charge to print plaques. Cindy has 16 sponsor letters ready to be mailed out when annual dues notices are sent out in November. Cindy also is going to reach out to The Wells College Golf Course and The Fargo to see if they would be interested in donating gift cards for new owners on Honoco Road.

Seasonal Board: MaryAnn Vincent has volunteered to decorate the road sign to align with the seasons down by the Honoco Road mailbox. Steve would like the sign left for road notifications when needed. He said he would measure the board to see how much room was needed and the remaining border could be decorated.

New owners: 1272 Honoco Road has just sold. Steve will make contact with owners to get pertinent information for our road directory and to send a Welcome letter.

Verifying emails: Cindy said she would begin working on contacting members to verify they are receiving monthly newsletters via email from the Association.

1081 road repair: Steve Green priced out steel beams today for repair at the road site. It was suggested that the homeowner be contacted regarding what needs to be done to repair that section of the road.

Snowplowing: No one has been lined up yet to do snowplowing of the road. Steve is waiting for a call back from Steve Morse.

Bridge repair: no update.

Stone: The Association plans on putting stone down on the second half of the road. Because of the inability to turn trucks around, stone cannot be placed until 1081 road repair is completed. Needs to be done before December 31.

Invoices: Bob is working on individual invoices to send out around the middle of November reflecting dues for 2020 along with any arrears owed. Invoices will be a good way to track members that are behind on their dues.

Meeting was adjourned at 7:45.
